**CHANGHE ENCLOSURES**

## ABOUT US

---

Founded in 1997, CHANGHE has developed to be a leading enclosure manufacturer in China. With 230 dedicated employees and 26700 square meters of manufacturing facilities, we have achieved annual production capacity of 15,000,000 USD: over 500,000 enclosures and 500 units of plastic injection/aluminum die casting mold.

## “YOUR ONE STOP SOLUTION FOR THE IDEAL ENCLOSURE CUSTOMIZATION”

### Broad product line

---

With over 3,000 products for electronic components, product line of CHANGHE ranges from waterproof electronic enclosures, protective cases, din rail enclosures, extruded aluminum enclosures, console enclosures, desktop enclosures, to CATV amplifier enclosures.

### Production capacity

---

Our ISO 9001:2015 certified factory is equipped with over 120 production machinery, including aluminum die casting machines (max. 1250 ton), plastic injection machines (max.6300g), forging press (max. 100 ton), CNC punching machines, bending machines, drilling/milling and laser cutting machines.

### Added value

---

The significant role of manufacturing flexibility makes it a part of our strategy. CHANGHE Enclosures endeavor to provide personalized customization based on our precision machining, advanced surface coating and assembling capacities.

# CUSTOMIZATION SERVICE

---

## Customization

When customization is required for your specific application, CHANGHE enclosures is your competent partner. Thanks to our in-house customization facility, we are able to offer you 'one stop solution' for the ideal enclosure customization. For cooperative new product development, a 50% discount of molding fee is offered.

01

### MOLD FABRICATION

CHANGHE provides cost-effective solution for mold design and fabrication, including plastic injection mold, aluminum die casting mold, and sheet metal stamping dies.

02

### CUT-OUTS

On your request, our high-qualified team can process drilling, milling and thread-cutting with modern CNC machines.

03

### SILK-SCREEN PRINTING

We also offer screen printing for labelling or adding logos, a process that gives your enclosures a personal touch.

04

### SHIELDING MATERIAL

On request, our tech support team can recommend shielding materials for aperture, membrane, display window, vent holes and cable holes.

05

### COLOR ADJUSTMENTS

We can apply your corporate colors so that enclosures appear as unique as you would like them to be.
